INSTRUCTIONS FOR COMPLETING THE STATEMENT OF ORGANIZATION FOR **BALLOT QUESTION COMMITTEES**

Michigan's Campaign Finance Act, P.A. 388 of 1976, covers a "person" operating within Michigan or out-of-state as soon as it receives or spends \$500.00 or more in a calendar year to influence voters for or against the nomination or election of one or more candidates in Michigan or the qualification, passage or defeat of one or more ballot questions in Michigan. The term "person" is used to mean a business, proprietorship, firm, partnership, joint venture, syndicate, labor organization, company, corporation, association or two or more individuals who act jointly. As soon as a group reaches the \$500.00 threshold detailed above, it has 10 calendar days to form and register a "committee" under the Act. A group that is covered by the Act registers a committee by filing this form with the appropriate filing official. **EXCEPTION:** A direct or in-kind contribution given by a "person" to a Ballot Question Committee does not count toward the committee registration threshold if the contribution was not solicited or received by the contributing person for the purpose of supporting or opposing the ballot question involved. All independent expenditures made by a "person" county toward the committee registration threshold regardless of how the funds involved were obtained.

TYPES OF COMMITTEES

Before registering a committee, the difference in the various committee types must be given careful consideration.

Ballot Question Committees: Formed to support or oppose the qualification, passage or defeat of ballot questions. A ballot question is an issue which is intended to be submitted to a popular vote at an election (including millage issues). A Ballot Question Committee cannot support or oppose candidates.

Political Party Committees: Formed by the state level, district level and county level organization of a political party. A political party can have one State Central Committee, one District Political Party Committee for each congressional district and one County Political Party Committee for each county.

Political Committees: Formed to support or oppose one or more candidates; may support or oppose ballot questions. A Political Committee must observe the same contribution limits that apply to individuals. A group seeking recall of an officeholder should form a Political Committee.

Independent Committees: Formed to support or oppose three or more candidates; may support or oppose ballot questions. An Independent Committee that meets the following three criteria may give a candidate ten times the amount a Political Committee is permitted to give the candidate: (1) registers as an Independent Committee at least six months before the election (2) received contributions from at least 25 persons and (3) in the same calendar year that the 25 contributions are received, expends funds to support or oppose three candidates for elective office. An Independent Committee must adhere to contribution limits applicable to Political Committee until the committee meets the criteria detailed above.

WHERE TO FILE THIS FORM

Two copies of this form must be filed when registering a committee. If the proposal supported or opposed is to be voted on statewide, the committee files with the Michigan Department of State, Bureau of Elections, Post Office Box 20126, Lansing, Michigan 48901. Office location: 430 West Allegan, Treasury Building 1st Floor, Lansing, MI 48918. Phone: 517/373-2540.

If the proposal supported or opposed is to be voted on in a single county the committee files with the clerk of that county; in more than one county – but not statewide – the committee files with the clerk of the county where the greatest number of voters eligible to vote on the proposal reside.

NOTE: The information contained on the Statement of Organization must be kept up-to-date. If a change in the information takes place, an amendment to the form must be filed no later than the due date of the first Campaign Statement required of the committee after the change. An amendment must be signed by the treasurer serving at the time of the change. If the treasurer is changing, the amendment may be signed by the new treasurer.

INSTRUCTIONS

Type or clearly print in ink all information requested on the Statement of Organization form. Each entry on the form is discussed below.

- ITEM 1.** On the original Statement of Organization, leave this item blank. An identification number will be assigned to the committee by the filing official. If an identification number has been assigned to the committee, enter it in Item 1.
- ITEM 2.** Indicate whether this is an original Statement of Organization filing or an amendment to a Statement of Organization already on file. If an amendment, list the number of the Item(s) affected and the date the change took place. If filing an amendment, complete Item 2, the item(s) affected and Items 1, 4 and 14.
- ITEM 3.** Enter the date the committee was formed in Michigan. The original Statement of Organization form must be received by the filing official within **10 calendar days** after the committee's formation date. Late filing fees are assessed at a rate of \$10.00 per business day if the form is filed late.
- ITEM 4.** Enter the committee's official name. Do not use initials or abbreviations.
- ITEM 5.** If applicable, enter the committee's abbreviated name or acronym.
- ITEM 6.** Enter the committee's mailing address if different from the committee's street address. A post office box is acceptable as a mailing address. All mail from the filing official will be directed to the committee's mailing address as shown in Item 6.
- ITEM 7:** Enter the committee's street address. A post office box **is not** acceptable. (List the treasurer's home address if no other address is available.) Enter the committee's area code, phone number, Fax number and E-mail address.
- ITEM 8.** Enter the full name and mailing address, a daytime phone number and email address of the committee's treasurer. The committee's treasurer **must** be a qualified elector of Michigan if the committee conducts business through an office or facility located in Michigan. The committee treasurer does not have to be a Michigan resident if the committee does not conduct business through an office or facility located in Michigan. A committee that wishes to have a treasurer who is not a Michigan resident is required to file an "irrevocable written stipulation" with its Statement of Organization. Further information on this requirement can be obtained from your filing official.
- ITEM 9.** List the name, mailing address, area code and phone number and email address of the person who will be responsible for the committee's records and Campaign Statement filings. If the committee treasurer will personally handle these responsibilities, leave this item blank. A person designated in this item may sign Campaign Statements but does not have the authority to sign the Statement of Organization forms in place of the treasurer.
- ITEM 10.** Check the box to request a **Reporting Waiver**. If Item 10 is checked and the committee does not exceed the \$1,000.00 threshold for an election, the committee is granted a Reporting Waiver. A committee that never loses its Reporting Waiver by exceeding the \$1,000.00 threshold is not required to file a Campaign Statement until it dissolves, except for Late Contribution Reports. If the committee spends or receives more than \$1,000.00 for an election or incurs debt over \$1,000.00, the Reporting Waiver is automatically lost and the committee will owe the next Campaign Statement due after losing the waiver.
- ITEM 11.** In **Item 11a**, enter the name and address of the Michigan bank, savings and loan association or credit union that the committee now uses or intends to use as its "official depository." The committee's official depository must be located in Michigan. In **Item 11b**, list the names and addresses of any "secondary depositories" the committee currently uses or intends to use. A secondary depository may be used only for the deposit of contributions (for example, as a temporary holding place for receipts from a joint fund raiser); it may **not** be used for committee expenditures.
- ITEM 12.** Indicate the letter or number designation of the ballot issue supported or opposed or a description of the proposal. Check the appropriate box to indicate whether the committee supports or opposes the proposal. Check the appropriate box to indicate whether the proposal will be voted on statewide, county, in multi-counties or at the local level (city, township, village or school district).
- ITEM 13.** Read this section carefully and check the appropriate box. Committees filing with the county clerk's office, skip to Item 14.
- ITEM 14.** Enter the treasurer's name where indicated. The form **must** be signed and dated by the current committee treasurer.
